

Appendix K

List of Gray Sheets

Chapter 1. Introduction

Sphere packing, part 1 2

Chapter 2. Origins

Harmonic hangover with a constant appearance 23

Big numbers part 1 29

Polygons and polyhedral, from lower to higher dimensions 52

Euclidean algorithm and continued fractions 60

Volume of a sphere 64

Trigonometric identities and Ptolemy's theorem 70

Chapter 3. Basics

Big numbers, part 2 91

Sphere packing, part 2 155

Big numbers, part 3 213

Chapter 4. Return

The ABC conjecture and Shinichi Mochizuki 251

Appendix C. Theorems, Proofs and Examples

Bernoulli numbers C17
